

Project Safe is a 501c3 non profit organization working to end domestic violence through prevention and educational programs, crisis intervention, ongoing supportive services for survivors of domestic violence and their children, and advocacy/ systems change work in our community.

With support of members of the Athens Area Home Builders Association, Project Safe is increasing our emergency shelter capacity from 16 to 21 beds. You can help make our shelter more like home for people who have had to flee their own homes to escape domestic violence.
