SPONSORING US

"Thank you so much for everything. I am a different person than when I first came here. I learned to let go."

- Former shelter resident

THE NEED

The state of Georgia has lost 1,720 residents to domestic violence between 2012 and 2022. The majority were attempting to leave the abusive relationship. In roughly half of the cases, the victim began the relationship with the person who killed her when she was between the ages of 13 and 24. In the United States, 1 in 3 adolescents experience abuse from a dating partner.

THE SERVICES

Project Safe is an Athens-based nonprofit organization working to end domestic violence through crisis intervention, ongoing supportive services, systems change advocacy and prevention and education in the community. Our compassionate, flexible, and comprehensive services save and change thousands of lives each year. These services including everything from our hotline, teen text line, emergency shelter, emergency relocation, assistance with temporary protective and stalking orders, to individual group counseling, pet shelter, and transitional housing.

THE IMPACT

In 2023, Project Safe answered 3,475 crisis calls, sheltered 109 adults and children, assisted 741 outreach clients at our outreach office, and delivered more than 176 in person and virtual trainings/presentations to over 13,395 participants.

THE RESULTS

In anonymous surveys, 98% learned strategies to enhance their safety, and 96% gained knowledge about available resources. 87% of clients achieved safe housing or reached their housing goals, while 89% achieved their employment goals, and 88% achieved other goals they set for themselves while working with Project Safe.

THE OPPORTUNITY

Over 90 cents of every dollar donated goes to victims and survivors of domestic violence. Whether it's coordinating a late-night escape for a woman whose husband promised to make good on his threats to kill her, counseling for the teen consumed by rage and guilt after witnessing years of abuse, or shelter for a pet so a child doesn't have to leave a beloved animal behind in the hands of an abuser, the services funded by your generosity will help people in our community escape the pain and devastation of abuse in the home.

"Gracias, son unos angelos, de Dios, las bendigo y les aprecio mucho por todo."

[Thank you. You are all angels of God, I bless you and appreciate you for everything.]

- Spanish-speaking outreach client
