

Team 5

Jane Kidd

*I'm dancing
because...*

I believe in Project Safe's mission and want to continue serving my community by supporting the people who help those who need it the most.

About me:

An Atlanta native, Jane has dedicated her professional life to education and public service. She has consulted with over 50 universities, served on the Lavonia city council, managed political campaigns, represented Athens in the GA House of Representatives, and served as the GA Democratic Party Chair.

Jane's volunteer life has been equally impressive. Serving numerous organizations including Junior League of Athens, Northeast Georgia Girl Scouts, and an appearance in Project Safe's production of The Vagina Monologues! Jane has earned too many awards to list here, including the Richard B. Russell Award for Distinguished Public Service. In her limited free time, Jane enjoys her hobby of metalsmithing.
